

PSD2.

Fallback apobank

Fallback – Access description

The fallback access to the apoBank Online Banking can be used by TPPs in compliance with Art. 31 of PSD2 RTS / Art. 33 (1)(4)(5) of PSD2 RTS.

For this purpose, apoBank ensures that the payment service providers are identified with a valid eIDAS certificate at <https://psd2.bvxs2a.de/fallback/apobank/multibanking>
