

PSD2: Direct / Fallback Access TARGOBANK Online Banking

The direct / fallback access to the TARGOBANK Online Banking can be used by TPPs in compliance with Art. 31 of PSD2 RTS / Art. 33 (1)(4)(5) of PSD2 RTS. For this purpose, TARGOBANK ensures that the payment service providers are identified with a valid eIDAS certificate at <https://www.targobank.de/fallback/login.html>. The eIDAS certificate must be imported and added to the browser e.g. via „Settings“ > „Internet Options“ > “Content” > “Certificates” in the Internet Explorer.
